Button

Continue →

End each journey with a personalized summary.

For example:

Here's what we've learned about you so far: (All these underlined items will be actual answers already picked by the user during the initial conversation style screens)

- You are on your \_\_\_\_\_ Journey (Educational/ Exploration./ Growth etc)
- Your Goal is : Vocational Training in the United States (for “still deciding” option, change text to say, Vocational Training or University Degree not sure where..)
- Timeline: Within 6 months
- Top Priority: Understanding costs and admissions

Button

Continue →

---

## Screen 4

Based on what you've shared...

Here are three things that can help you today.

1. Explore Vocational Training Programs
2. Get Trusted Resources
3. Review Planning Resources

Button

Continue →

---

## Screen 5

### Recommended next steps:

1. Save your personalized journey, Continue your journey anytime...

Create your free **Explorer Membership** (Open in new Window)

(Give the link to the Membership page for the appropriate program, for Educational Journey - Student membership, for Growth Journey - business membership etc.)

2. Get connected with a GEMS consultant (give calendly link, also open in a new window)

Auto-populate the fields for the form based on the answers from each of the screens here, so the user does not have to re-type everything again. Use the same registration forms we have created for ver 2. The only difference is the look and feel of the windows.

Button
